

# Emerald City Darting Organization

## Official Signup Sheet

Below, please circle preferred night. "A" League will be held on Thursday night; "B" League will be held on Wednesday night. "B" League is for less experienced players. When possible, multiple divisions will be created for both leagues.

**Note:** Individual players may be rostered on both a Wednesday night team and a Thursday night team.

The Competition Committee will assign each team to a division and night of play. If your preferred night of play cannot be honored, the Competition Committee will contact the captain ASAP. The inclusion of one or more "A" caliber players will increase the chances of a team being disqualified from Wednesday night play, based on total team strength.

- Player fees for "A" and "B" are \$15.00 per player, except that this fee is waived for players participating in ECDO for the first time.
- **NOTE CHANGE:** Captains are responsible for collecting player fees and will be required to submit fees for all players **before the third match** or else **penalties** can be assessed.
- Sponsoring Pub fee is \$25.00 per team.
- See the website for signup-deadline, and start dates of season play:
